

COBRAMATIC PRO SERIES

Push-Pull GMAW Wire Feeder

COBRAMATIC PRO SERIES

Structural foam design allows for smaller compact size providing greater accessibility to tighter, more confined areas (i.e. ship portholes.)

1/2 the weight yet twice as durable. Rugged enough for all environments.

Visible in the darkest shops, a bright front panel LED, displays Wire Feed Speed and Welding Arc Voltage.

Advanced connectivity allows for universal input power from all welding power supplies.

Different cabinet models offer MK or Euro gun connections, allowing a wide selection of gun Models to be used.
